For Immediate Release- Wilmington, NC, September 20, 2012 - Oktoberfest by Lumina Brewing Company is now available at Roko Italian Cuisine. Roko is the first restaurant in Wilmington to offer this limited release local beer.

“Our customers appreciate local seasonal ingredients,” said Executive Chef Jadran Peros of Roko Italian Cuisine. “Serving this unique beer is just another way we provide fresh local options to our customers.”

Roko Italian Cuisine has several beer options from Lumina Brewing Company as well as many local wines from nearby Noni Bacca Winery. Since opening in March Roko has evolved with the seasons to offer both entrees and beverages that highlight the freshest ingredients available.

“This beer takes several months of aging to bring out all of the flavors; we started brewing this beer back in April,” said Dave Hursey, Master Brewer at Lumina Brewing company. “After months of waiting, we are excited to share this seasonal ale with Wilmington. We chose our malts carefully and believe this is a good representation of the style.”
